CITY OF CHATTANOOGA, TENNESSEE

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS

June 30, 2014

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal and state awards includes the federal and state grant activity of the City and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

Note 2. Program Income

Cash receipts for the Community Development Block Grant (CFDA 14.218) and HOME Investment Partnerships Program (CFDA 14.239) include program income of \$486,532 and \$417,898, respectively.

Note 3. Other Adjustments

Other adjustments to the schedule of expenditures of federal and state awards reflect adjustments to prior year ending accrued revenues that will not be received, adjustments to record accruals not recorded in prior years or reclassification of accrual amounts to the proper grants.

Note 4. Subrecipients

Of the federal expenditures presented in the schedule, the City provided federal awards to subrecipients as follows:

<u>Program Title</u>	<u>Federal CFDA Number</u>	<u>Amount Provided to Subrecipient</u>
Community Development Block Grants/ Entitlement Grants	14.218	\$598,849
Shelter Plus Care	14.231	220,477
THDA ESG Stage	14.231	133,024
Home Investment Partnerships Program	14.239	499,489

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable Mayor
and Members of the City Council
City of Chattanooga, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the City of Chattanooga, Tennessee (the City), as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated November 25, 2014. Our report includes a reference to other auditors who audited the financial statements of the Chattanooga Metropolitan Airport Authority and the Chattanooga Area Regional Transit Authority, as described in our report on the City of Chattanooga's financial statements. This report does not include the results of the other auditors testing of internal control over financial reporting or compliance and other matters that are reported in separately by those auditors.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Chattanooga, Tennessee's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH
MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Honorable Mayor
and Members of the City Council
City of Chattanooga, Tennessee

Report on Compliance for Each Major Federal Program

We have audited the City of Chattanooga, Tennessee's compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133, Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended June 30, 2014. The City of Chattanooga, Tennessee's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on each of the City of Chattanooga's major federal programs based on our audit of the types of compliance requirements referred to above. The City's basic financial statements include the operations of the Chattanooga Metropolitan Airport Authority and the Chattanooga Area Regional Transit Authority which expended federal awards which are not included in the accompanying schedule of expenditures of federal awards during the year ended June 30, 2014. Our audit, described below, did not include the operations of these entities because the entities engage other auditors to perform audits in accordance with OMB Circular A-133. The City's basic financial statements also include operations of the Electric Power Board. We performed an audit in accordance with OMB Circular A-133 for this enterprise fund. The schedule of expenditures of federal awards for the year ended June 30, 2014 does not include these operations as we reported on them separately.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City's compliance.

Opinion on Compliance for Each Major Federal Program

In our opinion, the City of Chattanooga, Tennessee complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Report on Internal Control over Compliance

Management of the City of Chattanooga, Tennessee is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the City's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we considered to be material weaknesses. However, material weaknesses may exist that have not been identified.

This purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
